As part of the strategy team for a company of over 100,000 people, operating in 130 countries, Maersk Management Consulting (MMC) is at the forefront of creating high impact strategies to generate growth and change in one of the world's largest integrated container logistics companies.

We are a team of bright colleagues working in an international environment based out of offices in Denmark and Singapore, and have completed projects across the globe since our founding in 2012.

We offer a top-tier consulting experience in a collaborative and hypothesis-driven environment while building a strong platform for a future career at Maersk.

## How will you shape the future of A.P. Moller-Maersk?

As a Business Analyst, you will collaborate in project teams of 3-5 consultants. You will work 20 hours a week with high flexibility around exam periods. The position offers exposure to stakeholders across Maersk, focusing on driving growth and defining future strategies. We will support you as you learn and grow by developing the following qualifications:

- Understanding and addressing business problems in a structured and logical manner while developing sustainable and practical solutions
- Developing logical reasoning and data modelling for analysis
- Communicating insights and results to senior decision-makers

## Who are you?

Whether you are a third-year Bachelor's student or Master's student in business, engineering or economics – or maybe something entirely different – we would love to hear from you!

Irrespective of your line of study we are looking for students willing to develop the tools required to become a Consultant. We will be looking for the below in our assessment of your profile:

- Record of strong academic performance
- Curiosity and excitement to learn new things
- Propensity for building strong, professional relationships and thriving in a dynamic environment
- Inclusive and creative mindset
- Strong sense of ownership of tasks

## Shape the future with us

**To be eligible for the Student Assistant position, you must be currently enrolled at a Danish university** Applications will be reviewed in the order of submission. We will be conducting interviews on an ongoing basis until our positions are filled, so we urge you to submit your application as soon as possible and no later than 27 April 2025.

Remember to attach your cover letter and latest grade transcripts in your application.

If you would like to know more about the position, do not hesitate to reach out to Emma Bonnet (emma.bonnet@maersk.com)
